

# Self Employed Support (SISS)

**The SSIS will allow you to claim a taxable grant worth 80% of your trading profits up to a maximum of £2,500 per month for three months.**

**This may be extended if needed. Funds are however unlikely to be available before June.**

Once HMRC contact you, you can apply if you are:

- a self-employed individual; or
- a member of a partnership

AND

You:

- have submitted your tax return for the tax year 2018-19
- traded in the tax year 2019-20
- are trading when you apply, or would be except for COVID-19
- intend to continue to trade in the tax year 2020-21
- have lost trading/partnership trading profits due to COVID-19

Your self-employed trading profits must also be less than £50,000 AND more than half of your taxable income (50%) must come from self-employment.

This comparison can be for:

- The year ended 5 April 2019

OR

- An average of the three years ended 5 April 2017, 2018 and 2019

If you started trading between 2016-19, HMRC will only use those years for which you filed a tax return.

### **How much you'll get**

If you qualify you will get a taxable grant which will be 80% of the average profits from the tax years (where applicable):

- To work out the average HMRC will add together the total trading profit for the 3 tax years (where applicable) then divide by 3 (where applicable), and use this to calculate a monthly amount.
- It will be up to a maximum of £2,500 per month for 3 months.
